## Cécile Combeau appointed Head of Investor Relations and Financial Communication of SUEZ Group

Cécile Combeau is appointed effective today as Head of Investor Relations and Financial Communication of SUEZ Group, reporting to Julian Waldron, Senior Executive VP Group in charge of Finance.

Since joining SUEZ in 2018, Cécile Combeau has acted as Deputy Head of Investor Relations. Previously, she was Investor Relations Manager at Coface, where she was in charge of Financial Communication for the IPO of the credit insurer in 2014 and set up the Investor Relations function. Cécile Combeau contributed to the successful launch, in 2016, of the insurer's first three-year strategic plan. During her 13 prior years with the Coface Group, she held various positions, notably in the management of international projects, and then as Deputy to the Head of Reinsurance from 2009. Cécile Combeau holds a Master's degree in Finance from the IAE Paris - Sorbonne Business School.

Cécile Combeau succeeds Mathilde Rodié who will leave the Group to pursue her career in another business sector. The group wish Mathilde Rodié well.

### About SUEZ

Since the end of the 19th century, SUEZ has built expertise aimed at helping people to constantly improve their quality of life by protecting their health and supporting economic growth. With an active presence on five continents, SUEZ and its 90,000 employees strive to preserve our environment's natural capital: water, soil, and air. SUEZ provides innovative and resilient solutions in water management, waste recovery, site remediation and air treatment, optimizing municipalities' and industries' resource management through "smart" cities and improving their environmental and economic performance. The Group delivers sanitation services to 64 million people and produces 7.1 billion m<sup>3</sup> of drinking water. SUEZ is also a contributor to economic growth, with more than 200,000 jobs created directly and indirectly on an annual basis, and a provider of new resources, with 4.2 million tons of secondary raw materials produced. By 2030, the Group is targeting 100% sustainable solutions, with a positive impact on our environment, health and climate. SUEZ generated total revenue of €18.0 billion in 2019.
