The Paris Tribunal once again rejects VEOLIA's demands regarding the consultation of SUEZ employees' representatives

Following the court order of October 9, 2020 and the Court of Appeal's ruling of November 19, 2020 which ordered the suspension of the effects of the sale of SUEZ shares held by ENGIE to VEOLIA, as well as the contemplated takeover bid, VEOLIA filed an action to obtain the amendment of the Court of Appeal's ruling of November 19, 2020.

The President of the Paris Tribunal declared himself incompetent to examine VEOLIA's demands. The jurisdiction again refused to accede to the arguments put forward by VEOLIA.

VEOLIA intends to oppose the comprehensive and transparent information of SUEZ's staff representative bodies, which are very concerned about the dismantling of their Group planned by VEOLIA and its major consequences for employees.

The consultation of SUEZ employees' representatives goes on according to the method collective agreement which provides for four work phases until May 31, 2021.

About SUEZ:

Since the end of the 19th century, SUEZ has built expertise aimed at helping people to constantly improve their quality of life by protecting their health and supporting economic growth. With an active presence on five continents, SUEZ and its 90,000 employees strive to preserve our environment's natural capital: water, soil, and air. SUEZ provides innovative and resilient solutions in water management, waste recovery, site remediation and air treatment, optimizing municipalities' and industries' resource management through "smart" cities and improving their environmental and economic performance. The Group delivers sanitation services to 64 million people and produces 7.1 billion m³ of drinking water. SUEZ is also a contributor to economic growth, with more than 200,000 jobs created directly and indirectly on an annual basis, and a provider of new resources, with 4.2 million tons of secondary raw materials produced. By 2030, the Group is targeting 100% sustainable solutions, with a positive impact on our environment, health and climate. SUEZ generated total revenue of €18.0 billion in 2019.
