

Paris, 21<sup>st</sup> December 2020

## THE SUEZ BOARD OF DIRECTORS CO-OPTS ANTHONY R. COSCIA AS NEW MEMBER OF THE BOARD

The Board of Directors continues its restructuring which has begun with the appointment of two new independent Directors, Mr. Bertrand Meunier, Chairman of the Board of Directors of Atos, and Mr. Jacques Richier, Chairman and CEO of Allianz France. The Board has co-opted on Friday 18<sup>th</sup> December Anthony R. Coscia, Partner and Executive Committee member of Windels Marx, LLP, one of the New York region's oldest law firms, as a new member. This co-optation will be submitted to the approval of the next SUEZ General Meeting.

*"We are pleased to welcome Mr. Anthony R. Coscia to the SUEZ Board of Directors. His expertise in our fields, his in-depth knowledge of the new U.S executive, and his financial experience at the head of major institutions, will be very useful to the Board of Directors. The co-optation of Anthony R. Coscia underlines our Group's will to maintain a Board of Directors with a strong international representation, in line with our ambitious development in high-potential territories such as the United States,"* said Philippe Varin.

The Board of Directors took note of the resignation of Mrs. Judith Hartman, Director Deputy CEO of Engie, Chief Financial Officer, and Mr. Franck Buel, Director, Executive Vice President of Engie.

**About SUEZ**

Since the end of the 19th century, SUEZ has built expertise aimed at helping people to constantly improve their quality of life by protecting their health and supporting economic growth. With an active presence on five continents, SUEZ and its 90,000 employees strive to preserve our environment's natural capital: water, soil, and air. SUEZ provides innovative and resilient solutions in water management, waste recovery, site remediation and air treatment, optimizing municipalities' and industries' resource management through "smart" cities and improving their environmental and economic performance. The Group delivers sanitation services to 64 million people and produces 7.1 billion m<sup>3</sup> of drinking water. SUEZ is also a contributor to economic growth, with more than 200,000 jobs created directly and indirectly on an annual basis, and a provider of new resources, with 4.2 million tons of secondary raw materials produced. By 2030, the Group is targeting 100% sustainable solutions, with a positive impact on our environment, health and climate. SUEZ generated total revenue of €18.0 billion in 2019.
