THE SUEZ BOARD OF DIRECTORS CO-OPTS PHILIPPE PETITCOLIN AS NEW MEMBER OF THE BOARD

The Board of Directors of SUEZ has co-opted Philippe Petitcolin on Monday 1st February as a new member of the Board. Until December 2020, Mr. Petitcolin was Chief Executive Officer of Safran, a leading international high-technology group operating in the aviation, defence and space markets.

During his c.6 year tenure as Chief Executive Officer of Safran Mr. Petitcolin drove sustained growth and profitability resulting in substantial outperformance of Safran relative to the CAC40 benchmark. Mr. Petitcolin also oversaw the execution of Safran's action plan which allowed Safran to successfully navigate the Covid-19 crisis.

Mr. Petitcolin is the fourth new appointment to the Board of Directors since October 27th 2020 following the co-optations of Mr. Anthony R. Coscia, Partner and Executive Committee member of Windels Marx, LLP, Mr. Bertrand Meunier, Chairman of the Board of Directors of Atos, and Mr. Jacques Richier, Chairman and CEO of Allianz France. These appointments demonstrate the continued commitment of SUEZ's Board of Directors to further reinforce the skills and expertise necessary to oversee the execution of SUEZ's strategy. This co-optation will be submitted to the approval of the next SUEZ General Meeting.

"Mr. Philippe Petitcolin has tremendous experience as a leader and operator of international businesses. We are pleased to welcome him to the SUEZ Board of Directors. His expertise in management, strategy and M&A will be instrumental to the Board of Directors, as we progress in the implementation of the SUEZ 2030 strategy" said Philippe Varin.

About SUEZ:

Since the end of the 19th century, SUEZ has built expertise aimed at helping people to constantly improve their quality of life by protecting their health and supporting economic growth. With an active presence on five continents, SUEZ and its 90,000 employees strive to preserve our environment's natural capital: water, soil, and air. SUEZ provides innovative and resilient solutions in water management, waste recovery, site remediation and air treatment, optimizing municipalities' and industries' resource management through "smart" cities and improving their environmental and economic performance. The Group delivers sanitation services to 64 million people and produces 7.1 billion m3 of drinking water. SUEZ is also a contributor to economic growth, with more than 200,000 jobs created directly and indirectly on an annual basis, and a provider of new resources, with 4.2 million tons of secondary raw materials produced. By 2030, the Group is targeting 100% sustainable solutions, with a positive impact on our environment, health and climate. SUEZ generated total revenue of €18.0 billion in 2019.
