

11th INTERNATIONAL WATER & HEALTH SEMINAR

CANNES, JUNE 24th—26th, 2019

In the wonderful environment of the French Riviera, with scientists from International Bodies and Universities, and under the sponsorship of SUEZ, 20 PhD students are invited to present their work and discuss their results with senior academic and industrial researchers.

Topics covered include emerging waterborne pollutants and pathogens,

epidemiology, microbiology, toxicology, analytical chemistry, risk assessment, water treatment, water hygiene and public health. Topics related with the sociological aspects of risk management are also welcome.

Aim of the Seminar

- Favour the dialogue between young and senior scientists in this fast moving scientific area
- Allow young researchers to discuss their results with internationally recognized scientists
- Favour the dialogue between all disciplines contributing to the advancement of water safety
- Favour the dialogue between academic scientists and the water industry
- Identify new research needs to further improve water safety

Water and Health Award

A 1500 € award will be attributed by SUEZ to the PhD student bringing the best contribution to the advancement of water safety.

Scientific Committee

- Pr Jamie BARTRAM University of North Carolina at Chapel Hill, USA
- Pr Martin EXNER University of Bonn, Germany
- Pr Philippe HARTEMANN University of Lorraine, France
- Pr Paul HUNTER University of East Anglia, UK
- Pr Michael WILHELM Ruhr University Bochum, Germany
- Dr Jean-François LORET SUEZ, France
- Dr Daniel VILLESSOT SUEZ, France

Publications

Participants will be offered to publish their work in a special issue of the International Journal of Hygiene and Environmental Health (Impact Factor = 4.848)

11th “Water & Health” Seminar for PhD Students

June 24th - 26th , 2019

Pre-Program

Monday 24th , June 2019

14h00	Welcome address Seminar organization Introduction lecture	X. LITRICO, SUEZ, Scientific Director Pr P. HARTEMANN, Université de Lorraine Invited senior scientist
15h00	General Session Senior Lecture	
15h45	Break	
16h15	PhD students presentations Discussion	
18h00	End Dinner	

Tuesday 25th , June 2019

09h00	Microbiology Session 2 Senior Lectures	
10h15	Break	
10h45	PhD Students presentations Discussion	
12h30	Lunch	
14h00	Chemistry & Toxicology Session 2 Senior lectures	
15h15	PhD Students presentations	
16h00	Break	
16h30	PhD Students presentations Discussion	
18h00	End Dinner	

Wednesday 26th , June 2019

08h30	Technology Session PhD Students presentations	
10h00	Break	
10h30	Workshop on editing and publishing Constitution of editorial team for IJHEH special issue 2019	D. Staemmler, Executive Publisher, Health and Medical Sciences, STM Journals, Elsevier
12h00	Presentation of the Water & Health Award	Loïc VOISIN, SUEZ, Group Innovation, Marketing & Business Performance Executive Vice President
12h30	Lunch and end of the seminar	
13h30	Meeting of the Scientific Committee: Lessons learned, orientations for 2020	
14h00	Meeting of SUEZ Health and Environment Steering Committee	

HOW TO ATTEND ?

Applications

PhD students may apply at any step of their PhD, although the preference will be given to works near completion and mature for publication. Young post-doctoral researchers may also apply. Applications should be sent before **April 26th, 2019**

Please fill-in the online pre-registration form to access the seminar website.

NOTE : You will need to use a Microsoft/Office365 registered email to access the seminar website. If you don't have a Microsoft or Office365 account, you can create a free account at the following address: <https://signup.live.com> and indicate it in the pre-registration form. You can use your usual email address to create this Microsoft registered account.

Once your email address registered, you will receive a message with a link to the seminar website, where you will be able to submit a CV and a one-page summary of your research (objectives, methods, main results) .

Travel and accommodation

All participants will be hosted at ADOSOM Windsor Residence, 16 avenue Windsor, 06406 Cannes, located at a walking distance from the train station and the Palais des Festivals.

Accommodation, lunches and dinners will be offered by SUEZ. Extra-nights will be possible at students own charge (150 euros/day full board).

Students will travel to Cannes at their own expense.

Dress code

Casual

Venue

The meetings will be held at the ADOSOM Residence.

Format

Participants will be requested to present their research work with a PowerPoint presentation, in English (maximum 15 slides, 20 minutes).
