THE BOARD OF DIRECTORS OF SUEZ APPOINTS BERTRAND CAMUS AS CHIEF EXECUTIVE OFFICER OF SUEZ AS OF MAY 14, 2019

At the end of the succession process led by the Appointment and Governance Committee, the Board of Directors of SUEZ met today to appoint, unanimously, Bertrand Camus as Chief Executive Officer as of May 14, 2019, the date on which Jean-Louis Chaussade's term of office ends.

In accordance with the Group's bylaws, this appointment is subject to the designation of Bertrand Camus as Director at the Shareholders' meeting held next May 14.

The Board of Directors has chosen an executive from within the Group to lead SUEZ in the next stages of its development; Bertrand Camus has extensive operational experience, having led North American activities and more recently the Water activities in France with success. Bertrand Camus is currently Group Senior Executive VP in charge of Africa, the Middle East and Asia Pacific. He is known for his expertise and excellent knowledge of the environmental sector.

Bertrand Camus will aim to accelerate the implementation of the ambitious strategy of SUEZ, already a leader in the environmental transition, by creating value for all stakeholders and pursuing an attractive dividend policy. He will also aim to lead the transformation of SUEZ by strengthening the Group's positions on the markets of the future as well as making the best use of digital technologies.

The Board of Directors of SUEZ has congratulated Bertrand Camus on his appointment and will choose Gérard Mestrallet's successor as Chairman of the Board of Directors by the end of the first quarter of 2019.

Bertrand Camus has been Group Senior Executive VP of SUEZ for Africa, Australia, Asia, the Middle East and India since March 2018. A graduate of the Ecole Nationale des Ponts et Chaussées, he joined the Group in 1994, where he successively held positions in business development, operations and audit in France and abroad before taking charge of water resources for North America in 2008 and for France in 2015. Bertrand Camus was born on February 9, 1967.

About SUEZ

With 90,000 employees around the world, SUEZ is a global leader in smart, sustainable resource management. The Group provides solutions for managing water and waste that help cities and industries optimise the management of their resources and improve their environmental and economic performance while complying with current regulations. SUEZ is wholly committed to the resource revolution to counter the challenges of quality and availability. Building on the potential of digital technology and innovative solutions, the Group is able to recover 17 million tonnes of waste a year and to produce 3.9 million tonnes of secondary raw materials, as well as 7 TWh of local renewable energy. It also preserves water resources by providing 58 million people with sanitation services and reusing 882 million cubic metres of waste water. SUEZ generated total revenues of €15.9 billion in 2017.
